

## Grace

We long for a world  
where food is joyfully shared,  
Where welcome is abundant,  
Where compassion reaches all.  
As we work towards your  
kingdom, we thank you God  
for food for the journey.  
Amen.

### Rise up

Climate change is the biggest  
challenge we all face.

But we have a vision of  
a better world, free from  
poverty and climate change.  
Where everyone has enough  
to eat, and can live without  
fear of their home being  
destroyed.

Together we can restore  
God's Earth.

## A recipe for fighting poverty

Your gift at this Lent Lunch may seem  
like a small action in the face of global  
hunger and poverty. But you'll be  
helping to transform the lives of some  
of the world's most vulnerable people.

## Eva and Lope's story

After Super Typhoon  
Haiyan hit their  
small Philippines  
island of Tabugon  
in 2013, fisherfolk  
Lope and Eva  
struggled to  
provide for  
their family.

Haiyan shook their  
community to the core  
and swept fishing boats,  
homes and marine life away.

With your support, Lope and Eva are  
now enjoying abundant catches of  
fish. They've become true climate  
champions, rallying their community  
to protect their precious livelihoods  
in a changing, erratic climate.

But climate change is making life  
here, and around the world, more  
uncertain. Together you can rise up  
against climate change with Lope  
and Eva.
